Announcement of TPG2010 Official Projects

Now entering its sixth year, TPG (Tokyo Project Gathering) is proud to announce its 2010 line-up. An international co-production market organized by METI (Ministry of Economy, Trade and Industry) and UNIJAPAN, TPG will be held at the Roppongi Mori Tower from October 25-28, 2010.

More and more inspiring projects were submitted this year, and thus we selected in total of 28 projects, which was increased from 25 projects from last year. In addition, the venue will be located at the same venue as TIFFCOM floor (Roppongi Hills 40F) for the attendee's easier and better access. TPG visitor registration is open online for those who are interested in the business meetings with TPG project exhibitors.
