* PRIVACY POLICY STATEMENT

TIFFCOM Organizer's Office carefully handles all personal information received from clients of TIFFCOM. All information gathered by TIFFCOM is appropriately managed and maintained by implementing computer systems and procedural safeguards to prevent any data loss, leaks, or corruption. Upon your authorization, all or part of the information gathered by TIFFCOM will be used to support business activities between our clients and related industry professional for the purposes of: 1. Providing information on the TIFFCOM Official Website and the 'Who's Who' section. 2. Publishing information in the TIFFCOM Official Guidebook in 'Who's Who'. 3. Releasing company, project and/or product information in publications distributed at the venue. 4. Introducing the voices and appearances of participants on TIFFCOM Market Reports and Video Reports. 5. Identifying participants by printing the participant's name, company name, nationality and face photo on the TIFFCOM ID badge. 6. Delivering TIFFCOM related news and updates, as well as introducing services through phone calls, post mail, and email on a regular and systematic basis. 7. Providing improved services by conducting market research, examining and analyzing data collected through survey enquiries and your participation at TIFFCOM. 8. Providing notification of new events, such as symposiums and seminars. 9. Contacting and verifying information registered for management activities for the event. Personal information related to the website will be released only to people who possess an ID and Password. The information will not be disclosed or provided to third parties other than for the purposes listed above unless requested by applicant, law or governmental bodies. When TIFFCOM subcontracts all or a part of its services to external organizations, TIFFCOM promises to provide proper safeguards and supervision towards any personal information collected. TIFFCOM and external organizations will make and sign a nondisclosure agreement. If you have any concerns about our privacy policy, please send your inquiries or complaints to the TIFFCOM Organizer's Office.
